Lovells News

Ray Duby went to Midland Sunday where he has employment.

Mrs. Margie Harwood was home for over Sunday. They plan to move Thursday to Bay City where Pat is employed.

The carpenter work on the Town Hall is progressing nicely under the direction of Pierson Spaulding.

Mr. and Mrs. Wm. P. Spaulding returned to Lovells the latter part of last week having spent the winter months in Midland.

The church board of Lovells Community Chapel met Monday night for their regular monthly meeting at the chapel. After all business was attended to, they were all invited together with their wives or husbands to Mr. and Mrs. C. Stillwagons home, where a pleasant get-together was enjoyed by all.

The honored guest being Rev. Sebree, whose birthday they celebrated and it certainly was a big surprise to him. A delicious lunch was served and the group presented him with a nice gift in remembrance of the occasion.

Mr. and Mrs. Clarence Moore from Wolverine was here to attend the Archer and Schenck wedding Saturday night.

Some of the Gilenwald families were at their cabin over the weekend.

We are very happy to report Mrs. Bessie Kellogg's condition much better and she was released from Mercy Hospital Friday. She was taken to her daughters home, Mrs. Henry Vance, until she is much stronger.

A very pretty wedding was solemnized at Lovells Community Chapel last Saturday night, uniting in marriage Mary Margaret Archer and Max Schenck. Rev. Herbert Sebree officiated. Reception following at Ladies Club Room.

Rev. and Mrs. Howison, of Alpena was in attendance to church Sunday morning. Rev. Howison bringing the message.

We wish to extend our sympathy to the McCanns at "Riverdale" summer cottage on the passing away of Howard McCann Sr., grandmother. Grandmother was the eldest of the five generations at the McCann cottage last summer. She was 91 years old at the time of her death. She was laid to rest in New Britain, Pa.

In spite of the cold weather our Sunday school shows a pretty good record for last quarter. In the Junior class regular attendance Julia Duby, Lewis Johnson and Barbara Johnson. Mrs. C. Stillwagon teacher also in that class Kathleen and Bernice Morris missed one Sunday, also Lois Duby one Sunday. In Mrs. Johnson's class there were Gale Gauthier and Joan Morris 100%; Stella Gauthier ill one Sunday. Primary Janet Johnson, Caro Duby and Shirley Duby. A large number of chapters of the Bible had been read and 100% with their Bible each Sunday. This quarter they are memorizing scripture verses and a record being kept for each, also the report where their verse is found. Now as the weather is getting better our attendance is increasing. We have only missed one Sunday without church services due to heavy snow and roads impassable.

Bruce Anderson of Detroit was shaking hands with old friends in Lovells the first of the week.

FETED WITH SHOWER

Mrs. Robert Smock (Barbara Schmidt) was the honored guest at a stock shower given at the home of Mrs. Liland Smock last Wednesday evening. Mrs. Seth Chapel and Mrs. Don Smock were hostesses. Bunco was played with prizes being won by Mrs. Grant Thompson and Mrs. Wilfred Laurent who presented them to the honored guest. Tasty refreshments were served and Mrs. Smock received many lovely gifts.

Mrs. Wilfred Laurent and Mrs. K. K. Kitchen were hostesses to their bridge club at the former's home, Friday evening. Prizes were won by Mrs. Carl Richardson and Mrs. Carl Nielsen Sr.

Mr. and Mrs. Ed. C. Rieth returned April 7th after spending the winter in St. Petersburg, Fla. Mr. and Mrs. Gerald McClain are happy over the arrival of a son, David Clare at Mercy Hospital on Friday, April 6th.

Among the patients at Mercy Hospital are Michael Beck, son of Mr. and Mrs. Murvel Beck, Steve Fazekas, Dennis Shannon, Mrs. A. C. Walmsley, Mrs. Fred C. Welsh and Mrs. Conrad Scordino.

Cancer Drive**

**Teachers Group To
Meet April 19-20**

On Thursday and Friday, April 19-20, the 16th Annual Convention of the Michigan Rural Teachers' Association will be held at the new high school building at Houghton Lake, Michigan. Some 1000 rural teachers and administrators will convene for the opening session on Thursday evening Tuesday was postponed until Thursday due to heavy rains to hear Dr. E. C. Beck, head of the English department of Central Michigan College of Education at Mount Pleasant, entertain with his "Lumberjack" orchestra. Dr. Beck is an national authority in the field of lumberjack literature and author of several books on the subject.

The first general session will be held Friday morning with J. Willis Owen of Wayne County, president of the Michigan Rural Teachers' Association presiding. Clyde (Slim) Williams, world-famed Alaskan wolf-dog musher and trail blazer, will be the main speaker.

"Most of us come to realize that when we are fighting cancer we are fighting to preserve the lives of ourselves and our loved ones," Mrs. VonMach, County Commander declared. "We know now that cancer is the No. 2 killer, ranking second only to heart disease. It claims the lives of 210,000 persons in the United States in 1950, or one out of seven who die. And the cancer rate in Crawford County is practically the same as for the rest of the nation," she claims.

The Commander adds that the sad part of it is that even with available medical knowledge and techniques, approximately 70,000 of those lives could have been saved by early detection and prompt treatment. "It would seem," she states, "that after the age of forty, yes, thirty, one would benefit by early examination, not only to save life but money, for cancer victims in the long run pay heavy."

Mrs. VonMach states that the situation becomes more frightening when competent medical authorities tell us that there are some 600,000 persons in this country now being treated for cancer and unless science discovers better techniques for preventing and overcoming the disease, one out of every five persons now living may become the victim of cancer.

She also states that worthy but needy people should be given aid and that any one regardless of social and financial status may be afflicted without knowing it. The Commander would gladly answer any questions pertaining to the use of the Cancer Fund, since most of it remains in the County for service to its own people. Telephone 3917.

We are hoping that through any of our organizations, and individuals desiring to do so, that our small quota of \$250.00 may be filled.

Mrs. Emma VonMach Commander American Cancer Society for Crawford County

**Long's Market Is
Building New Quarters**

"Long's Market will move to new quarters around the middle of May, it has been announced by Charles Long, the store's owner. The new store will be located on Cedar Street just south of the traffic light next to the Dore Building which now houses the Grayling Bottling Company. The building which is owned by Mr. Long is known as the Bakery Building.

The new quarters will more than double the floor space that the store now has and it will be changed to a self serve method of operation. The interior is entirely new and fluorescent lighting is being used throughout. A new refrigerated dairy box will be added and frozen food will be new feature of the store's stock.

OBSERVES 87th BIRTHDAY

Mr. Lars Rasmussen, who makes his home with his son, Harold Rasmussen of Ionia Street, enjoys his 87th birthday on March 31. Lars came to this country from Denmark 63 years ago. He has been a resident of Grayling for 62 years and worked as a filer for 48 years at the Salling Hanson Company. Mr. Rasmussen lost his eyesight five years ago and has been very ill the past winter. The many cards he received and the wishes of his many friends who gathered to help him celebrate his birthday all voiced the hope that he would get better soon.

**Viking Track
Season Opens**

The Grayling High Viking track squad opens the season today with a dual meet at Lake City. The meet originally scheduled for Tuesday was postponed until Thursday due to heavy rains at Lake City that made a quagmire of the track there.

Viking Coach Bruce Smith says his squad this year is still a question mark due to the fact that he boasts but four letter men on a squad of 35 boys. Back for competition after winning letters last year are Bill and Duane Worden, Chester Johnson and Terry Hilton. Other boys who have looked good in practice thus far this spring which includes but one day out of doors because of inclement weather are Wilfred Laurent in the hurdles, Jim McClain in the mile, and Delbert Joslyn in the pole vault.

Track competition opens on the local track next Tuesday with a triangular meet here between Lake City, Kalkaska and Grayling. It is scheduled to get underway at 2:30 P. M. The track is in excellent condition considering the weather and a new 220 yard straightaway dash run is being completed. This will make the Grayling track one of the best in Northern Michigan Class C circles. Twenty hurdles have been constructed by the school shop classes which give the Viking tracksters two complete sets.

**Nickless-McEvers
Wed In Gladwin**

Miss Shirlee Nickless, daughter of Mr. and Mrs. Wilbur Nickless of Gladwin, became the bride of Pfc. Gerald McEvers, of the U. S. Air Force, son of Mr. and Mrs. Roy McEvers of Grayling, in a double-ring ceremony performed at the Methodist Episcopal Church in Gladwin on Wednesday, April 4 at 7:30 P. M.

The Rev. Wm. Richards of Grayling, solemnized the marriage vows before an altar banked with spring flowers.

The bride, given in marriage by her father, wore a net over satin gown fashioned with a fitted bodice, nylon marquisette yoke outlined with a Chantilly lace ruffle and wristpoint sleeves. Her veil was secured by a tiara of seed pearls. She carried a bouquet of white gadiolus and lily-of-the-valley.

Miss Mary Helen Nickless, sister of the bride, was maid of honor. She wore a nile green taffeta gown styled with a marquisette shirred yoke which extended into the sleeves, and ruffling across the skirt back. She wore a braided headband.

Bridesmaids were the Misses Lou Ann McEvans, sister of the bridegroom, and Jane Nickless, sister of the bride, who were dressed like the maid of honor in daffodil yellow with matching rosebud tiaras. All attendants carried orange gladiolus and wore gauntlets.

Miss Victoria McEvers, sister of the bridegroom, was flower girl. She was gowned in a pink and blue gown respectively, with tiaras and gauntlets, fashioned like the bridesmaids.

Ted McEvers, was best man for his brother, and Robert Niederauer of Grayling and Lynn Adams of Sears, were groomsmen and ushers.

Carol Cady, a friend of the bride, was pianist, and Rev. Herbert Sebree of Grayling was soloist.

The wedding date was set ahead due to Mr. McEvers changed orders.

**Hold Meeting
O. E. S. Chapter**

About 40 members and guests attended the regular business meeting of Grayling Chapter No. 83 O. E. S., Wednesday evening.

Worthy Matron Letitia Leng was a guest of Fairgoe Chapter last week and while there she gave the matron's work.

The Rummage Sale was discussed and Mabel Martin was appointed chairman. Any one having things which could be used in the sale please contact her or leave them at the Masonic Temple on Thursday, April 12th. The annual Father and Son banquet was discussed and it was decided to hold it about the middle of June. The Sunshine committee reports that Helen Durican has left the hospital but Anne Welsh is still confined there. Cards to our sisters who are ill would be appreciated.

There will be an initiation on April 18th at 8 o'clock. At the close of the meeting the members retired to the dining room where a delicious lunch was served by the committee.

On The Horns Of A Dilemma

At the present time our over-all domestic oil capacity is about 6,750,000 barrels a day. Many oil men believe that, to be on the safe side, this should be increased by 1,000,000 barrels a day within the next year or two. Estimates of the cost of this expansion run as high as \$5,000,000,000—which, incidentally, is more than the total profit of the oil industry last year.

So the big question can be put simply—how is this needed expansion to be financed? In the past, oil companies have financed expansion largely by plowing a substantial part of their earnings back into the business. In other words, they have generated their own capital. But now it is proposed that corporate taxes be raised to a maximum of 70 per cent, and it is further proposed that oil's depletion allowance, which is now 27½ per cent, be either heavily reduced or even abolished. This allowance, which applies to taxes, is designed to recompense the owners of oil wells for the diminution of an irreplaceable capital asset and to encourage them to hunt for new sources of supply.

These proposals really place oil on the horns of a dilemma. If taxes are raised to that extent, it will be impossible for the industry, as a whole, to self-generate adequate amounts of capital for expansion—the tax-collector will get the money. And if the depletion allowance is reduced or eliminated, the exceedingly risky business of oil well drilling (only one out of five wells is a producer while four turn out dry) would become unsound from a business standpoint.

This problem illustrates a fundamental economic fact. If taxes go high enough, they actually defeat their own purpose. They force enterprise to retrench and to abandon needed expansion programs. In the long run, the government loses money—and, of far greater importance, the welfare and security of the country is undermined.

Guide To Fishing

By
JACK SCHWEIGERT
Roving Reporter

"Back in the Waders again." Some have it down to the days, yes others have it down to the hours to the trout seasons opening. This reminds me of the proposed changes of the opening of the various species of fish, as trout, pan fish, rainbows. Truly if the opinion of the fishermen are of any importance or of a decisive value there will be no change, as I have yet to contact a fisherman that is really in favor of it. Opening the rainbow streams early would surely be a flop. Anyone that has fished these streams would hold his head at the results. I have seen sixty cars at one lane on the Au Gres River, understand this is just one place where they park their cars. If this stream was to be opened at an earlier date than the rest, a fisherman jerking his line at M-55 could me felt down stream as far as the State Weir, which is at least four miles down. I don't think I'm exaggerating this but very little. Lengthening the pan fish season would only bring this feeling to the fisherman (Let's go trout fishing, we have plenty of time for pan fish). So in all I do not see where it would do much to accomplish the purpose of the proposal.

As we have several more weeks before the opening, let's get going so we can be all ready. If you have any question concerning fishing, write "Guide to Fishing" Box 41, Roscommon, Mich.

P. T. A. NEWS

The March meeting of the Grayling P. T. A. was held Wednesday evening, the 28th, at the High School with a good attendance.

The meeting opened in the gym with selections from the High School Band, after which Mr. Frank Scott of the Bear Archery gave an archery exhibition, and Mr. Bruce Smith presented a number of the High School students in the Archery class. The audience found this very interesting and enjoyable.

The business meeting was conducted upstairs. The ninth grade was the winner in the room count. The election of officers for the coming year was held. The following were elected: Mr. Harley Russell, president; Mrs. Russell Moshier, vice president; Mrs. Robert Bovée, secretary; Mrs. Edwin Wales, treasurer.

Plans were made to hold a bake sale on April 20th at the Peterson Hardware, as we still lack funds to cover the expenses of the year. Mrs. Moshier will be chairman of this, and Mrs. Wales is assisting her. We hope to have the cooperation of everyone to make this a success.

The band students were treated to cake and pop, and the committee served cake and coffee after the business meeting in the Home Economics room. The following ladies were on the committee: Chairman, Mrs. Glen Fenton, Mrs. Dale Pettingill, Mrs. Wesley Lajew, Mrs. Fred Lamm, Mrs. Carl Richardson, Mrs. Howard Bunker, Mrs. Clarence Roberts, Mrs. Thomas Robertson and Mrs. Forrest Vincent.

Mrs. Fred Lamm,
Publicity Chairman.

NORTHWESTERN MICHIGAN IS Spotlighted IN NATIONAL PUBLICATIONS

Every year millions of people come from other states to share for a few days or weeks the joy of living in Northern Michigan.

In volume of tourist and resort business Michigan ranks among the leaders.

Michigan is America's No. 1 state for fishing and hunting. It has 3,000 miles of magnificent Great Lakes coastline, 11,000 inland lakes, 36,000 miles of sparkling streams, 17 million acres of evergreen and hardwood forests.

Much of Michigan's finest summer and winter resort country is in Consumers Power Company's Northwest Division, a region containing thousands of square miles of wooded hills and valleys, lakes and streams.

Here are many good small towns. Traverse City, Cadillac and Manistee are busy centers of trade and industry besides being resort cities. The same is true of Cheboygan, Boyne

City, Grayling, Gaylord and many others. Products of the area include sprayers, farming tools, leather goods, woodenware, furniture, salt, speed boats, chemicals, rubber goods, canned fruits and vegetables, cement and paper.

Traverse City is the cherry capital of America, scene of the famous National Cherry Festival. Apples and other fruits thrive in the Northwest Division. Potatoes, beans and corn are important products.

The people are of the self-reliant resourceful type to be found where outdoor life is popular.

What better place for an industry or branch plant could be found than a good small town in a region where people really enjoy living? Where your personnel—and you, too—can forget your cares while whipping a trout stream or enjoying a steak roast on a moonlit shore.

Let us tell you more about the Northwest Division.

Mr. and Mrs. Carl Hanson returned home Saturday from their trip to Florida.

COUNTY NEWS

At 5:30 Saturday afternoon several cars, with horns blowing, drove the streets of Frederic, the church bell was ringing and most of us thought there must have been a wedding, but soon the fire trucks came from all directions with their sirens blowing which meant that Frederic had another fire the north end of the new Souvenir plant was all ablaze, plenty of dry material was burned and some damage done to the furnace, but with quick action of the Frederic residents carrying water and the firemen at their trucks the fire was soon under control and a new roof was nearly ready for the night and their help was back to work Monday morning.

Much damage was also done by the smoke to the finished products. A peculiar incident of the fire, it happened on Saturday the 7th and their fire last year was Saturday January 7.

Mrs. Allen's pet dog was struck and killed by a car Saturday morning.

Arthur Johnson and wife, Harry Foss and wife from Clare visited Arthur's brother, Orson Johnson at the Grayling hospital Saturday. They report that Orson was not quite so well at that time.

Earl Confer of Bay City is spending a few weeks with his mother, Mrs. Jay Wilcox in Frederic.
